

Activities in Poland

The Graduate School of Business Economics, Higher School of International Commerce and Finance (GSBE-HSICF), held a press conference entitled, “Openness and Transparency of Public Finances in Poland in Comparison with Other Countries” on November 9, 2006. The conference was led by Dr. Adam Niedzielski, Research Expert, H.E. Prof. Dr. Hab. S. Ryszard Domanski, Rector of GSBE-HSICF, and Aneta Socha, University Spokesperson.

In preparation for the conference, the organizers contacted journalists at TV stations, radio stations, newspapers, and magazine publications. More than 80 journalists from over 65 offices were informed of the conference.

Scientists and representatives from news outlets including the *Royal Warsaw*, the *Polish Press Agency*, *Najwyższy Czas*, *Tygodnik Solidarność* and the *Warsaw Voice* were present. In the end, there was some media coverage of the event. Two articles were published and an interview with Dr. Adam Niedzielski was broadcast on *TV Biznes* on 10.11.2006.
